ACGMEDIA

The family room of the house should be a place where the homeowner can feel at home, surrounded by the things he love. This, the designer achieved by hanging the owner's collection of art and abstract paintings that nourish the soul and inspired the creative senses.

During the interior design process, it is very easy to overlook colors that ended up making the house look messy and crowded. Therefore the designers here use simple coordination of carpets, wooden wall panels and an all-white cabinet for an uncluttered look.

面对压力，我们身心憔悴，疲惫的身体渴望自由奔放地舒展。在家居环境里，设计师通过巧妙的设计与色彩，营造出一片自由天地。为此，设计师搜集了一些富于活力的设计理念，带领屋主走入无拘无束的活力天地。家居因有独特的艺术气质和拥有灵魂，设计师在客厅挂上一幅充满神韵的彩色人像画，搭配具有未来感的几何状图案地毯，让客厅充斥着浓厚的后现代主义艺术气息，更让原本普通的家居环境充满时尚色彩。

在室内设计中，有时候色彩使用的过于大胆和丰富，会导致房子看上去凌乱而拥挤。而设计师使用了色彩鲜艳的人像画和地毯后，在主场则使用简洁朴实的木质建材和全白的储物柜，完美驾驭空间和色彩平衡之道。

DESIGNER NAME:
LIM SOON YEE

DESIGNATION:
STUDIO DIRECTOR

PROJECT LOCATION:
VERTICAS RESIDENSI

PROJECT TYPE:
CONDOMINIUM

SITE AREA (SQ. FT.):
1,774

COMPLETION DATE:
JULY 2013

PHOTOGRAPHER:
STARPURI DEVELOPMENT SDN BHD

Unusual Luxury Style

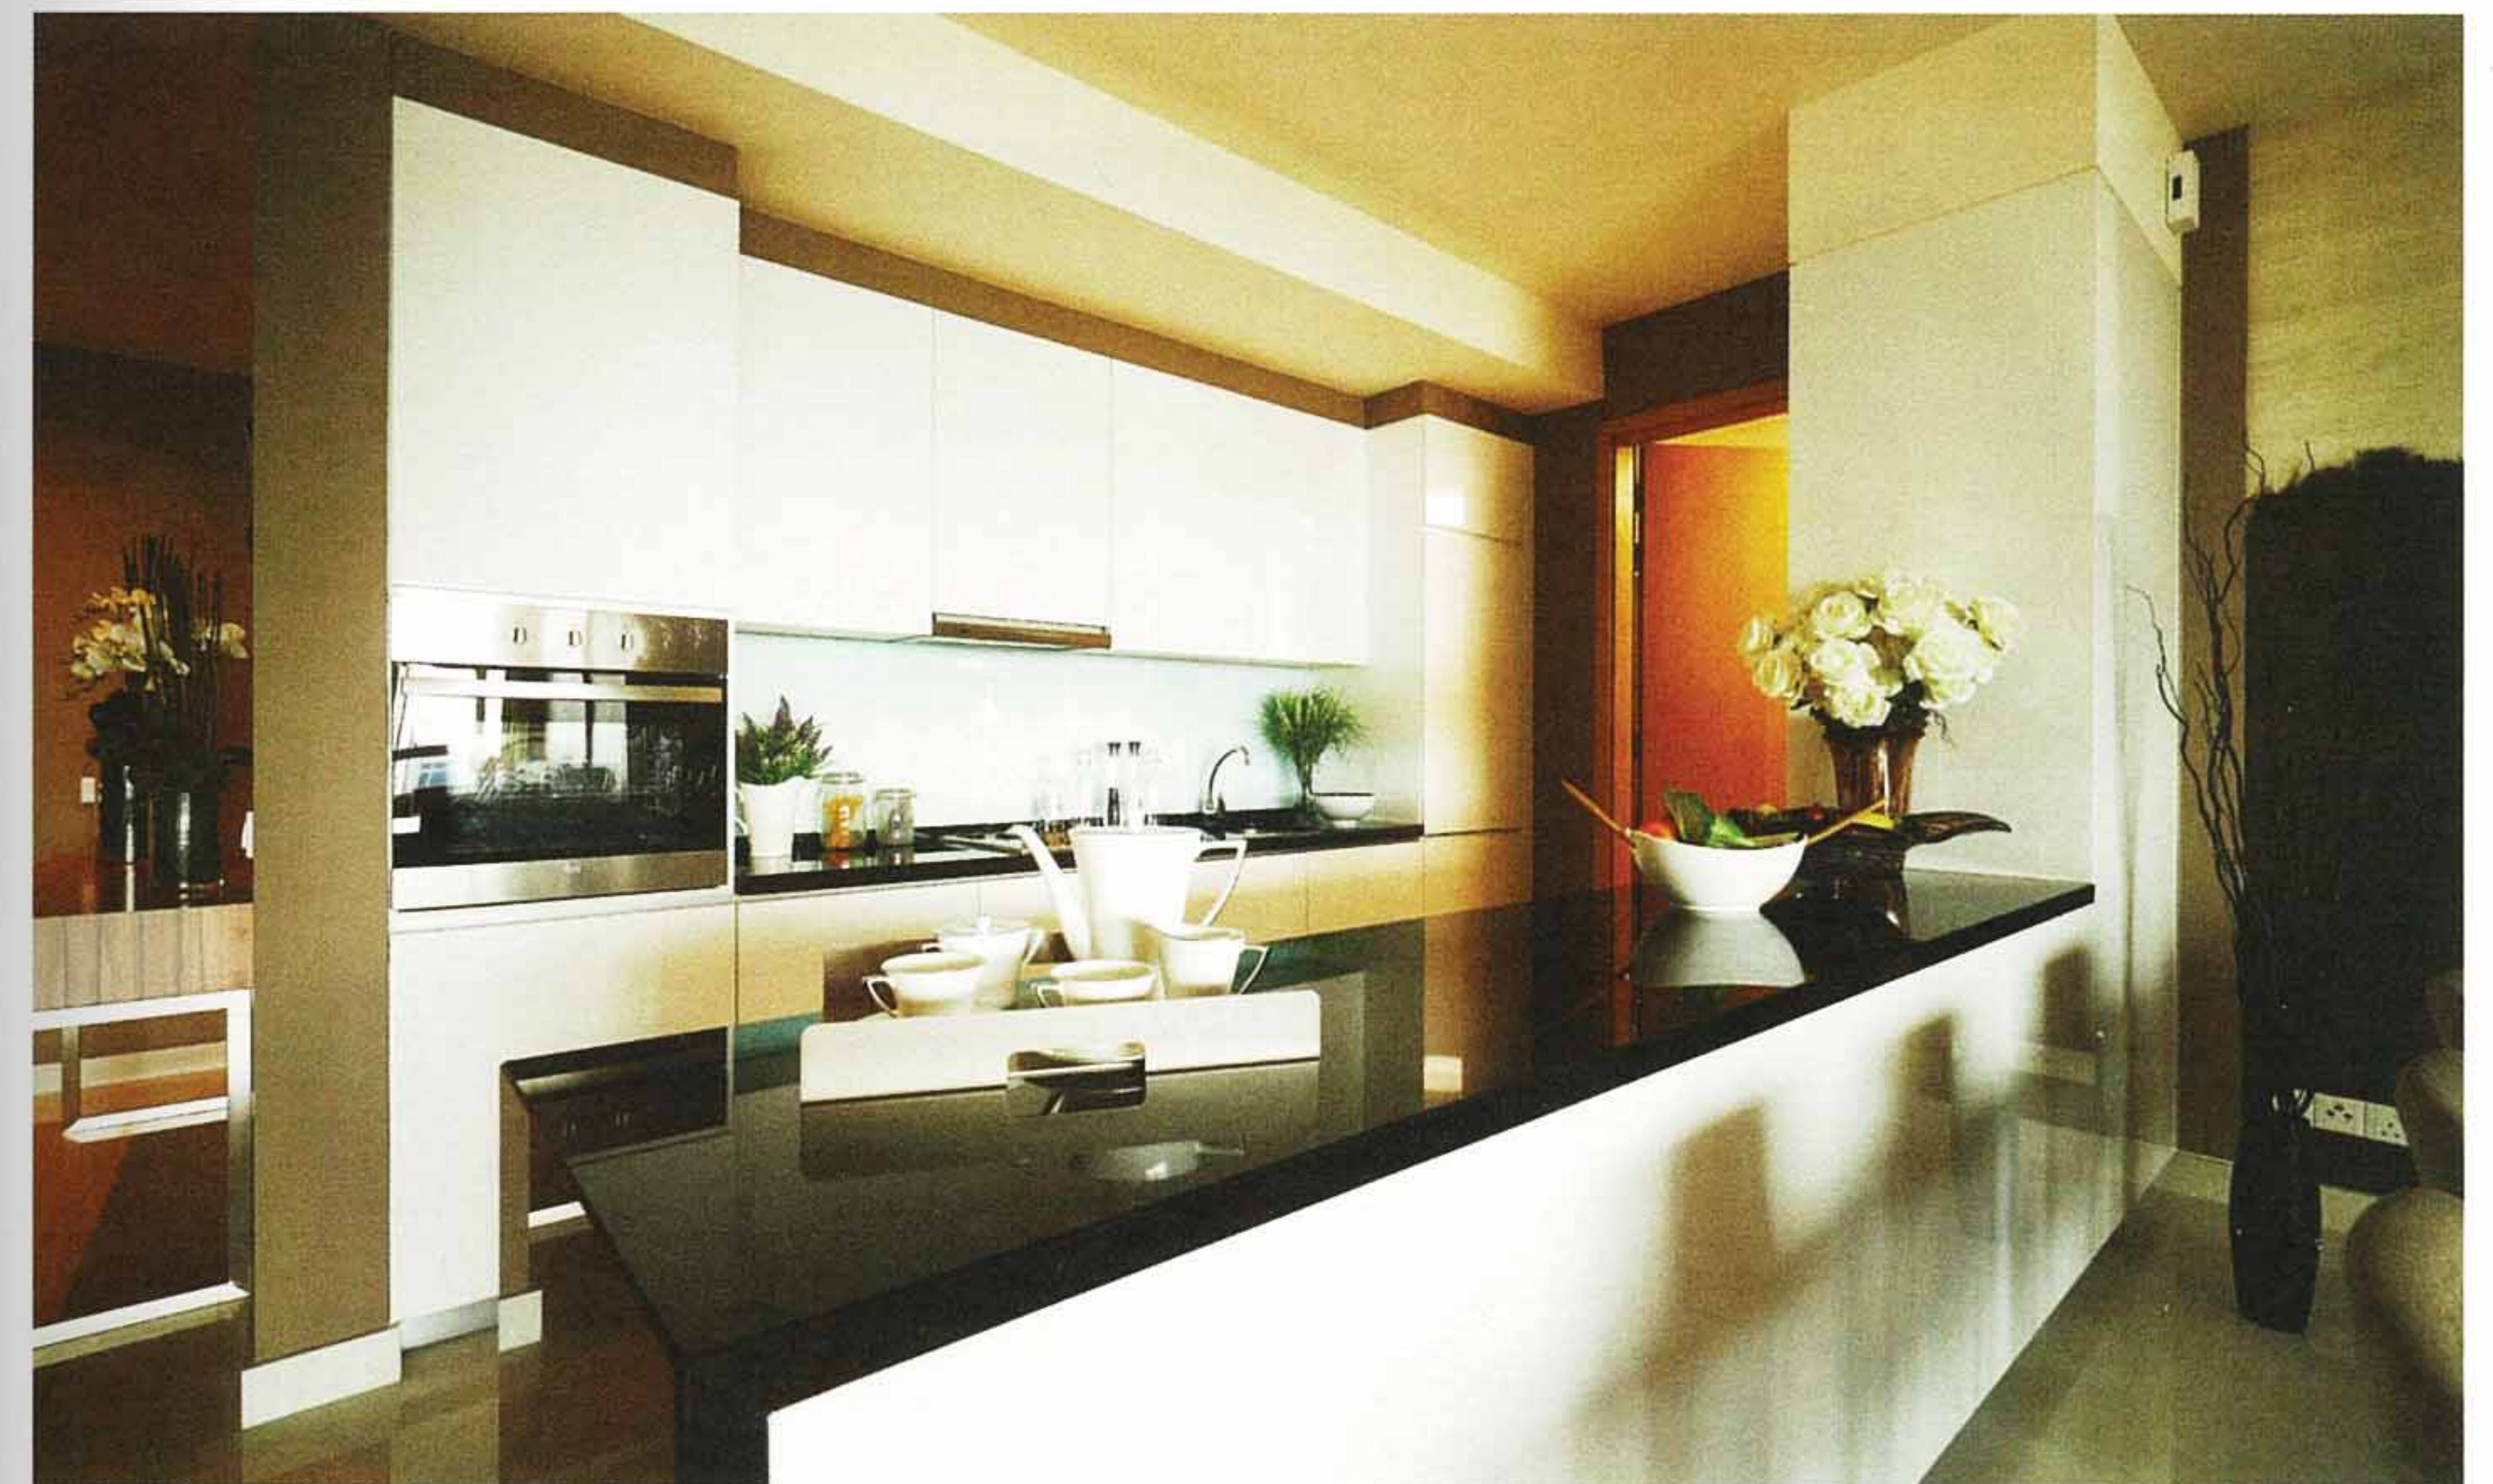

We often marvel at the amazing designs we find in hotels and resorts, or even some spa, but do one ever think you can achieve this same similar exclusive designs in your home? This question is best answered by the Axis Identity Group, an award winning design company in Malaysia.

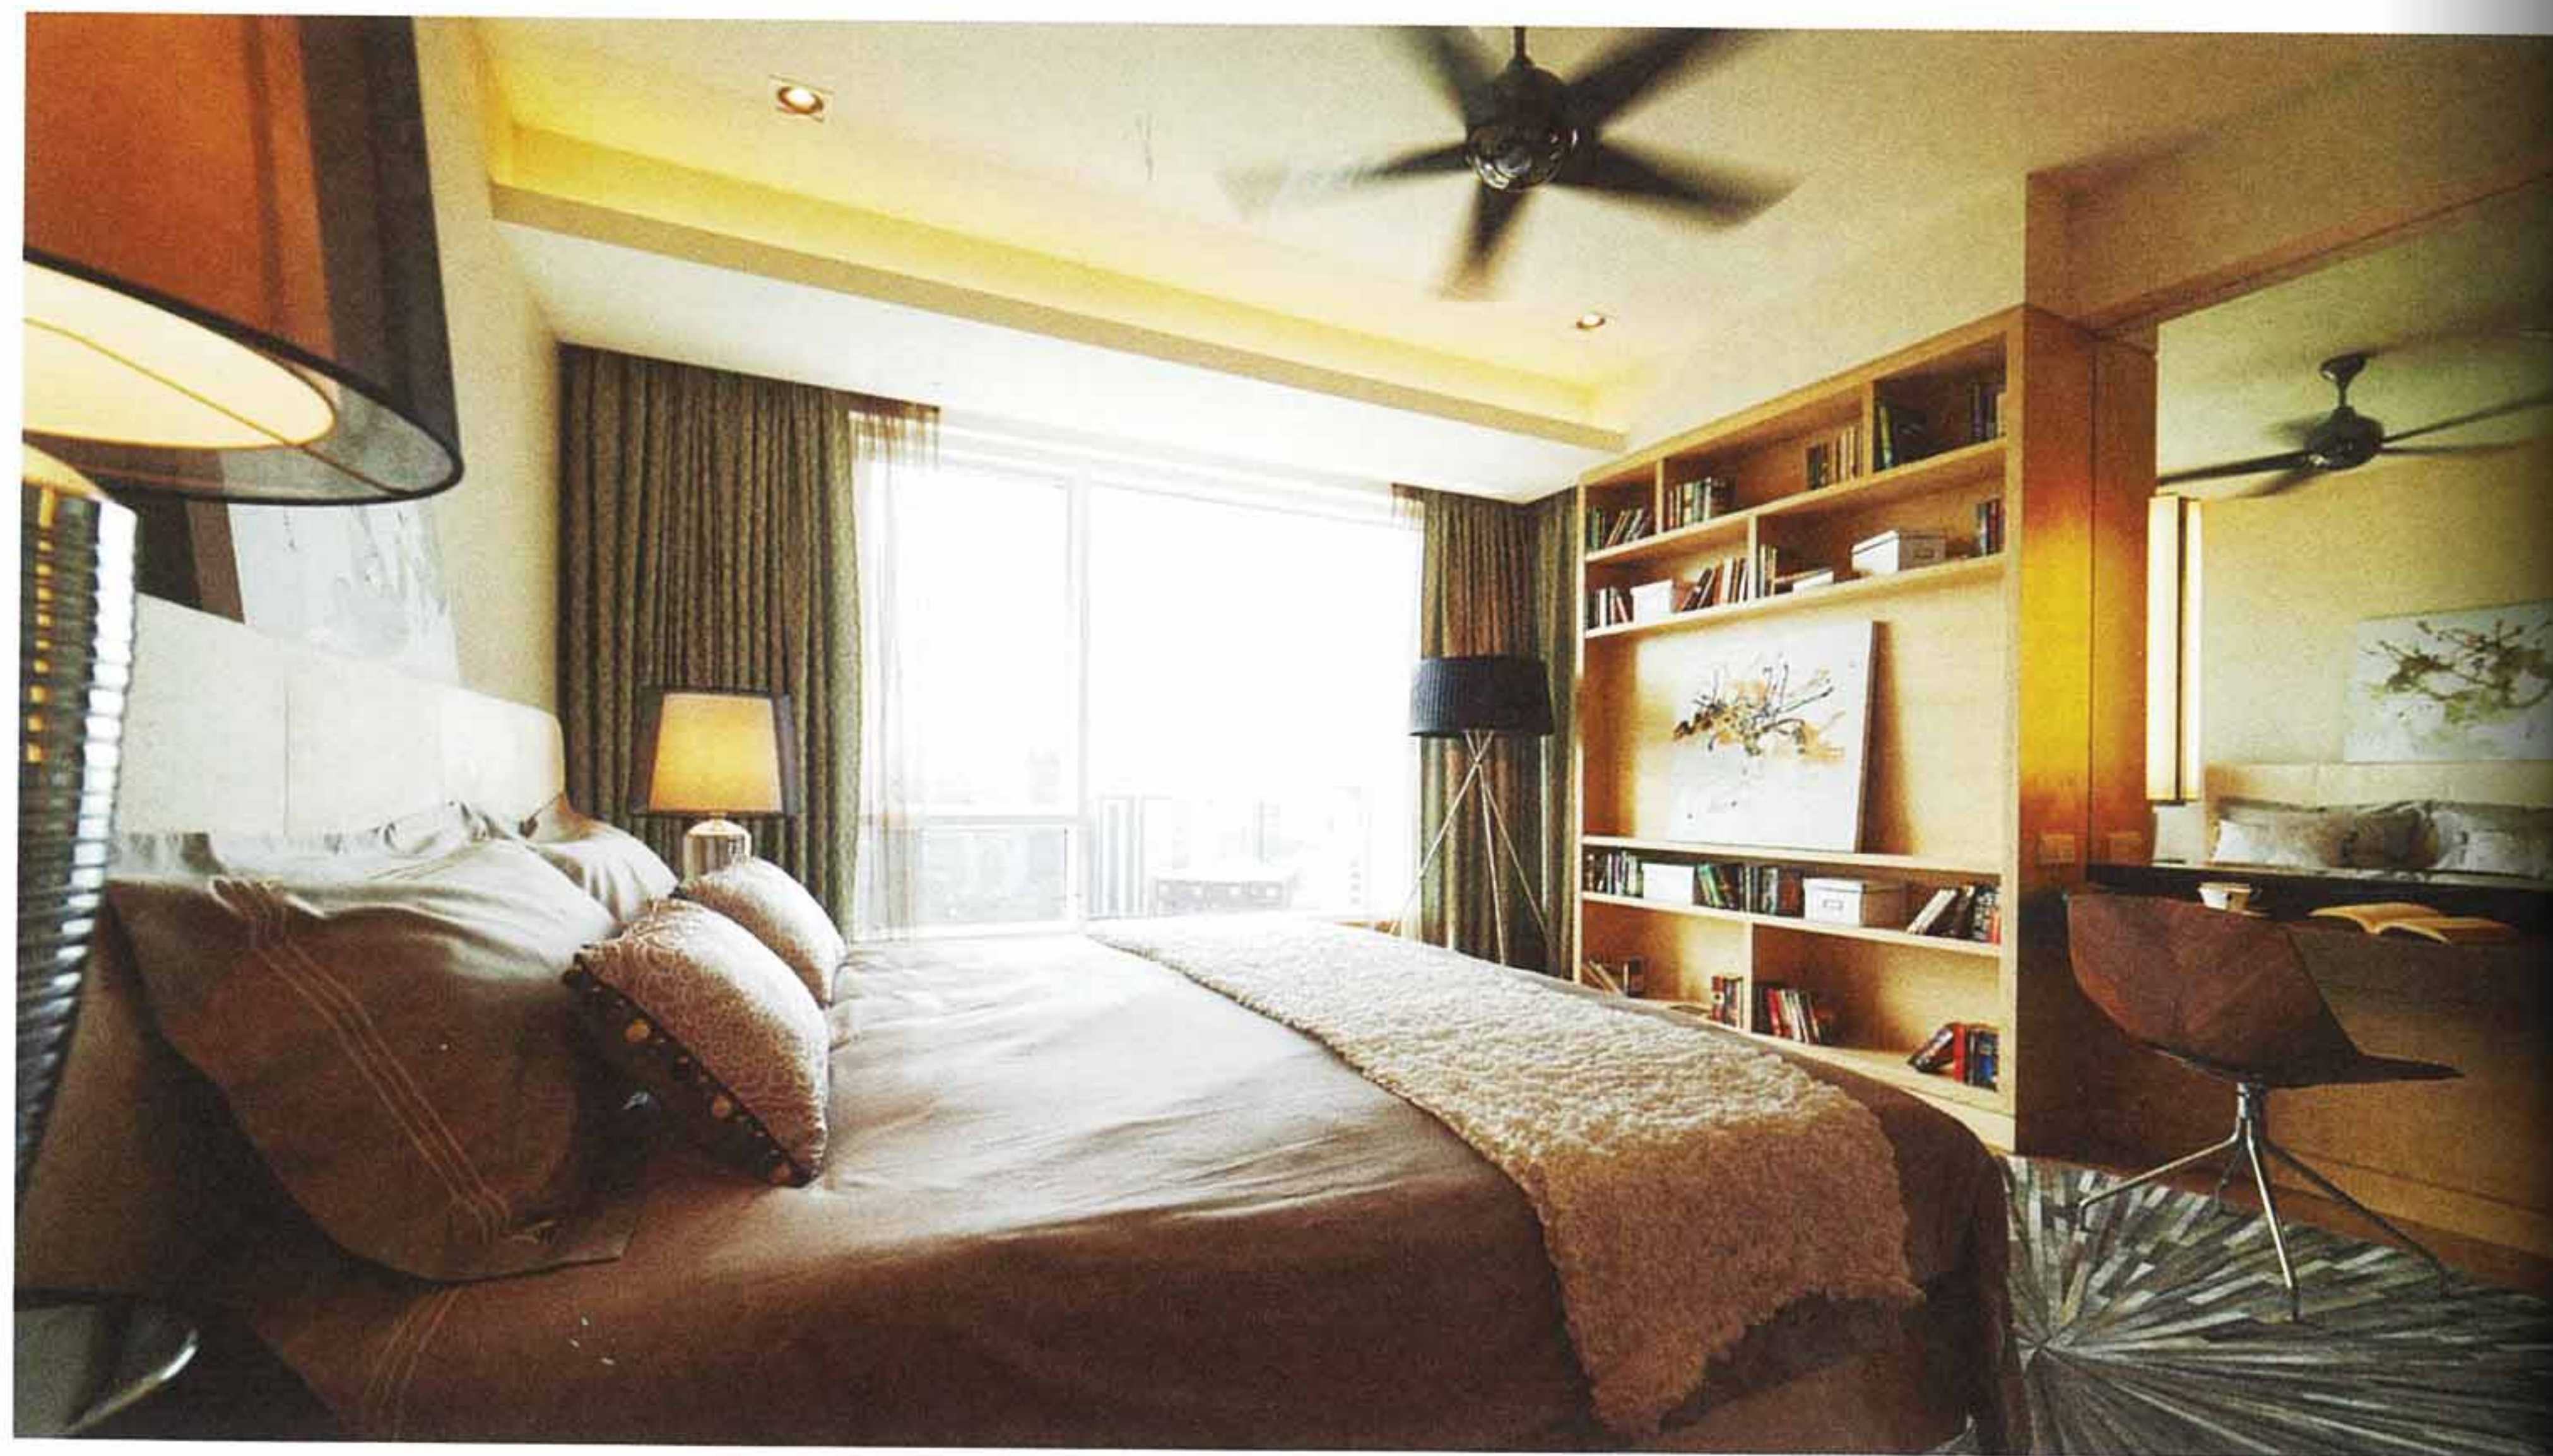

繁忙的都市人都在紧凑的旅途中追寻惬意简约，却不失时尚的生活品质。我们都知道星级酒店是一处舒缓身心的好地方，然而长期入住却不符合现代的经济哲学，所以设计师将酒店的摩登设计元素带到家居设计中，同时添加了家居不可或缺的舒适格调和具有感染力的后现代艺术气息，彰显时尚品味与格调。

The center piece of the dining area is the grand crystal chandelier, it can immediately brighten up the room and add cheer to your gastronomic experience. A cabinet with dark glass door is used to store homeowners' favorite books and decorations. Another highlight is the glass top desk that matches with stylish chairs, a handsome sight for getting some light office work done.

这公寓采用了常见的完全开放式格局，主要分为厨房、多用途空间、餐厅和客厅。前后无梁柱的格局不仅扩充视觉效果，还调高了家居气派。由于餐厅挑高较高，为了避免整体格局看起来单调乏味，设计师于是增加了一座水晶吊灯来创造视觉中心，同时又可以补充照明的不足。至于多用途空间，设计师利用了摩登的黑色玻璃搭了个储物架，让屋主整齐地展示所喜爱的书籍与摆设。宽敞的玻璃办公桌和设计师椅子，再搭配一盏时尚办公灯，让这空间更显得独树一帜。

'Quiet' is the key word and the bedroom is designed as a seclusion space to wind down and hide away. Although the location of this place is in the middle of the city, however, the bedroom can be made into a hideaway place.

'Liveliness' is instead chosen for the children's room to promote cheer and vibrancy. It is made to heighten their senses and to enhance creativity.

能够将自然景观纳入居住环境中，一直都是现代人生活的愿景。早前提及这公寓坐落在繁忙的都市中心，虽为屋主带来居高临下的感觉，但偶尔也需要寻找一方静谧的生活方式。设计师大量将木质建材融入这房子设计中，当然不能放过作为歇息空间的睡房。无论是地板、墙壁还是储物柜，设计师都致力将现代摩登与自然关系紧密结合。原有的玻璃建材将景致引入室内，从室外往内注视，则是可看见浓厚的和风设计风格，两者相融并存。

当然，设计师也不抹杀了儿童的童真。儿童的世界多姿多彩，因此设计师选用了鲜艳的色彩和活泼的风格作为儿童房的设计特点。儿童房是孩子的休息、思考、观察和游戏空间，所以设计师在儿童房的设计上都朝着这概念出发，为儿童打造专属的帝国。

Although not many designers put importance to bathroom design, it is nevertheless a room that you need to give great consideration as it is also the most used room of all. Therefore all the storage must be installed to put away wash materials and to keep the place clean and tidy.

对许多人来说，卫浴间的装修并不重要，但是要享受生活，每一个空间设计还是要选择自己喜欢和让自己舒适的风格。这公寓的卫浴间是典型的隔开式卫浴间，将方便洗浴的地方隔开，使其变得非常整齐，而当中的超大面镜子肯定是每一个人都会错过的！
